

Name: _____ Date: _____

The Rhino

Facts:

- The name rhinoceros means 'nose horn' and is often shortened to rhino.
- A group of rhinos is known as a herd, or a crash!
- Rhinoceros have thick, protective skin.
- Despite their name, White Rhinoceros are actually grey.
- Male rhinos are called 'bulls' and females are called 'cows'. Their young are 'calves'.
- Their horn is made from the same stuff as our fingernails - keratin.
